

2024

STUDIO **(SUM)**THING

Greater than the SUM of its parts

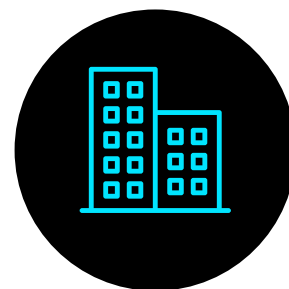

Welcome to Studio **(Sum)**Thing — where creativity meets joy, and design is more than just a process; it's a playful journey into spaces that inspire, brands that resonate, and experiences that linger.

At Studio **(Sum)**Thing, we're rewriting the narrative of design, one joyful creation at a time. Founded by Manori **SUM**anasinghe, our studio is a celebration of creativity, culture, and the sheer joy of design.

our services

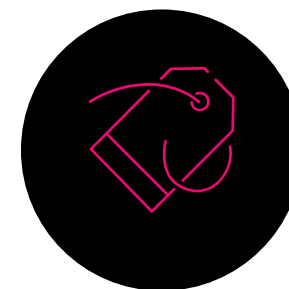

Spaces that Inspire

Discover the magic of spaces that blend functionality with aesthetics.

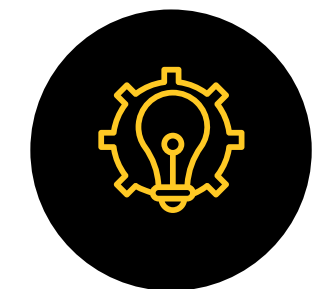

Brands that Resonate

Craft narratives that resonate, creating a compelling visual language.

Products that Innovate

Breathe life into products that pave the way for futures yet imagined.

Expanding Horizons,
Embracing Innovation

Visual Narratives

Discover the power of visual storytelling through our captivating visual narratives.

Design Strategy

Elevate your projects with our strategic design approach. We blend creativity and purpose to craft solutions that not only captivate but also align with your goals and resonate with your audience.

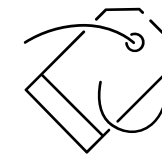

**brands
that
resonate**

Engagement

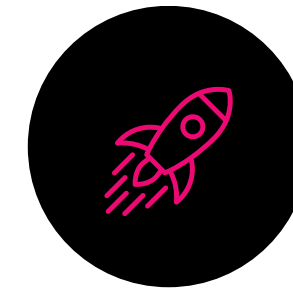

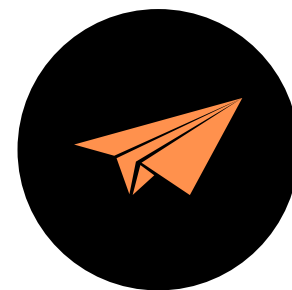

Engage your audience with logos, images, graphics, website, digital and printed material that conveys your vision, communicate messages and evoke emotions effectively.
